

VENUSIAN DEED

From MoonEstates.com and the Celestial Ambassador to the United Kingdom, the United Kingdom's only authorised reseller of land on the Venusian Surface, this document represents the transfer of ownership of 1 (one) acre on the surface of the planet Venus.

This property has been lawfully purchased from Dennis M. Hope, 'The Big Cheese', who by nature of the Declaration of Ownership filed with the United Nations on the 22nd November 1980, was the recognised owner of said property.

This deed is for the Venusian property listed below:

Area F-9, Quadrant 10-Juliet

Lot number 004 / 0048

This property is located **001** (one) square south and **004** (four) squares east of the extreme Northwest corner of this quadrant.

This deed is recorded in the Lunar Embassy located in Gardnerville, Nevada, United States of America, in the name of

Owners of The Caching on The Venus GC

from hereinafter known as owner of the abovementioned property.

This deed is transferable, tradeable or assignable upon the decision of the owner at his or her discretion.

This document conforms to all of the Celestial Real Estate Regulations set forth by Dennis M. Hope and shall be considered in proper order when his authorised Ambassador to the United Kingdom's signature and seal are affixed to this document.
